First Year Assessment 11th February

Academic Course of Studies

Virginia College has an excellent record of academic success, achieving results far above the national average. In excess of 2/3 of the 2011 leaving certificate class received an Honours degree offer while more than 85% received a third level offer. The wide curriculum caters for all interests and all ranges of ability. Courses on offer include:

- The Junior Certificate
- The Traditional Leaving Certificate
- The Leaving Certificate Vocational Programme
- The Leaving Certificate Applied Programme
- The Transition Year Programme

MATHEMATICS

Mathematics teaching using Tablet PC's at Virginia College has broken the national trends in the results obtained by our students in the State Examinations. The pilot program is now in its fourth year in the Maths Department at Virginia College. The graphs below demonstrate the success of the innovative approach in Maths Education by the Staff and Students.
